## Welcome the fall season—

with makeup hues that reflect a vintage elegance that seems effortless, yet looks GORGEOUS. To get the look, Apply face makeup products that give your complexion a slightly lighter and matte finish. Keep eye shadow minimal and wear classic shades of ivory, navy, and grey. Curl lashes and apply an extra coat of black mascara. A darker lip color in burgundy or red adds the perfect finishing touch, reminiscence of 1940's old Hollywood vintage glamour.

To achieve a porcelain smooth face, switch your foundation to a sheer, lighter formula or wear a tinted makeup primer. Then apply a layer of matte powder, wear two layers if you feel you need more coverage.
